

Congratulations from the Director of the Graduate School of Management and Business on the New Year 2020!

Dear colleagues and students!

On the eve of a wonderful winter holiday, let me wish you a Happy New Year! Please accept grateful words for all the good that you gave to our students who were lucky to study under your

supervision this year.

I wish you a wonderful meeting next year and live it in health and arm in arm with good luck.

Happy New Year 2020!
